\$22,000 PRIZE FOR WORLD'S FASTEST MOTOR BOAT

The Wm. Wrigley Jr. Trophy for the power boat championship of the world represents over \$22,000. It is a perpetual trophy to be won each year by the club whose motor speed boat entry makes the best three out of five races in competition open to the world, free for all boats under 40 feet in length.

It is a reproduction in silver of a "Flying Mercury" presenting to Neptune a hydroplane motor speed boat. Neptune with his trident, dolphins and water surrounding are in bronze. The round pedestal is of green marble. The figure of Mercury and the model speed boat contain 1,000 ounces of sterling silver. The trophy stands 5 feet 5 inches high. The base is 47 inches in diameter.

Mr. Wrigley will provide annually a replica of this big \$5,000 trophy, which becomes the personal property of the winner of each year's races. To provide this trophy annually will require an endowment of about \$17,500, thus giving Mr. Wrigley's trophy a

value of about \$22,000. In addition to these prizes are a \$1,500 cash prize for the winner and a \$500 cash prize for the second boat.

The first races will be held at Chicago during the Water Carnival and Naval Review, Aug. 10 to 17 inclusive, 1912. It is expected that there will be boats from all over the world.

Water Carnival week at Chicago will include the other races in the Fourth Annual Regatta of the Western Power Boat Association, the International Yacht Race between the Royal Canadian Yacht Club of Toronto and the Chicago Yacht Club, the Lip-ton Cup Races of Columbia Yacht Club, fireworks displays, naval parades, swimming and diving contests and exhibitions by sailors, marines and naval reserves.

In all the competitions there will be handsome trophies or liberal cash prizes. William Hale Thompson, Commodore, Associated Yacht and Power Boat Clubs, Chicago, will be glad to supply information.

NEWBRO'S HERPICIDE SOLVES THE PROBLEM OF GOOD HAIR

After Prof. Sabouraud confirmed the germ origin of dandruff, science was confronted by a new problem which was not solved until the discovery of Newbro's Herpicide. Herpicide being the first successful preparation compounded in harmony with this new theory, becomes the original remedy to kill the dandruff germ. Since then, numerous preparations said to be "just as good" as Herpicide have been thrown upon the market; others have adopted Herpicide claims and without making any change in their remedies, but none have ever reached the same degree of popularity. Everywhere this remedy is recognized as the one genuine dandruff germ destroyer. As a result Herpicide has more satisfied users than all other hair preparations combined.

Being the original remedy, users expect more astonishing results from Herpicide than they would look for from any other preparation and they usually get them. So wonderful has been the success of this germicide that it is now recognized as the standard hair remedy of the world.

Herpicide kills the dandruff germ, checks falling hair, it stops itching of the scalp almost instantly. Newbro's Herpicide in 50c and \$1 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

Applications obtainable at the good barber shops. Insist on having real Herpicide. Send 10c in postage for sample and book to The Herpicide Co., Dept. R, Detroit, Mich. Patrons-Souders Co., special agents
